COMMUNITY IMPACT AWARD

Nomination Submission Guidelines

The Main Street America Insurance Community Impact Award is given to three (3) independent agencies that exemplify Main Street America Insurance's commitment to customers, employees and communities. They go above and beyond to make a positive impact on main streets nationwide.

Agency owners, agency staff, and Main Street America employees are all eligible to nominate an individual independent agency for the Main Street America Insurance Community Impact Award. Each award winner will be announced on or around December 18, 2026, and receive a $1,500 donation to an eligible nonprofit 501(c)3 organization of their choice.

What Makes a Strong Nomination?
The Community Impact Award recognizes independent agencies that demonstrate a meaningful commitment to their communities through service, employee engagement, nonprofit partnerships, and lasting impact. Nominations are evaluated in the following areas:

- **Community Engagement & Partnerships (30%)**
  How consistently and intentionally does the agency owner and staff support community organizations through volunteerism, nonprofit partnerships, leadership roles, professional expertise, and financial or in-kind contributions.

- **Culture of Community Involvement (40%)**
  How the agency encourages and supports employee participation in community service through volunteer opportunities, charitable initiatives, leadership support, and a culture of giving back.

- **Community Impact & Outcomes (30%)**
  The positive difference the agency has made through its community involvement, including meaningful outcomes, long-term commitment, and lasting impact on the people and organizations it serves.

Judges look for authentic, sustained community involvement and meaningful impact, regardless of agency size or donation amount.
